

## PROFESSIONAL SERVICES FOR THE U.S DISTRICT COURTS IN ARIZONA

**OBJECTIVE** A prime contractor for the U.S. District Courts, Quantum Tech, needed a local integrator to support ongoing Information Systems and AV projects at two Federal buildings in Arizona.

**SOLUTION** VectorUSA provided more than 500 hours of professional Information Systems and AV services at two Federal locations. Solutions included collaborating with the onsite engineering groups on network system design, implementation and documentation, installing and configuring software, and installation of computer monitors, projectors, projection screens, display monitors, microphones and speakers.
